

Attractive and functional exterior railings surrounding the Casino Nova Scotia Hotel are a good example of the quality work you can expect from the Lindsay Welding Shop.

Our recently expanded Welding Shop is CWB (Canadian Welding Bureau) certified, with updated equipment and experienced tradespeople producing top quality products to meet your deadlines.

These products include:

- Handrailing in painted and galvanized steel, aluminum, or stainless steel
- Metal stairs
- Mezzanines
- Trench gratings
- Exterior canopies
- Stainless steel countertops
- Bollards and other miscellaneous metals

We also offer the added advantage of one-stop service for custom designed items using our other Shop specialties – Sheet Metal and Millwork.
